---

## Education

### Software Engineering B.S.

University of California, Irvine

(2024-June 2026) | GPA: 3.68

### Saddleback Community College

Pre-Transfer Coursework

(2022-2024)

---

## Projects

### CS Search – Chrome Extension

*Personal Project | Published on Chrome Web Store*

- Developed a Chrome extension for Steam to streamline search functionality
- Designed UI to blend seamlessly with Steam's website, while enhancing accessibility
- Built using HTML and JavaScript and published on the Chrome Web Store

### UCI Resource Navigation – UI/UX Design Project

*Quarter-long Team Project (8 members) | Designed on Figma*

- Collaborated in an 8-member team to design a central hub for UCI Resources
- Conducted user testing, competitive analysis, task & user flows. Created wireframes, mid/hi-fidelity, and interactive prototypes

---

## Soft Skills

Leadership, Creativity,
